A MALARIOUS MONTH .- March, that gives us a new President, is also the inaugural month of many harassing disorders. Estangled in its fogs are the eeds of coughs, colds, and of that alternation of frigidity and fire, more widely known than admired called fever and ague. The only way to avoid these "little unpleasantnesses" is to render the system strong enough to fight off the atmospheric poison that produces them, and the best way to endow it

with this repelient power is to tone it with HOSTET TER'S STOMACH BITTERS. If a wayfarer were credibly informed that a rufflan was waiting at the next cerner, he would doubtless turn in his tracks and take a safer route to his destination. Wish just about the same amount of trouble the attacks of diseases prevalent at this season may be evaded. Nay, the trouble will be lest, for drug stores lie in every one's route, and every respectable druggist in the Union keeps on hand Hoszetten's BITTERS. The article is a staple of trade, and it would be as easy to find a grocery without sugar as the store of an apothecar, without this popular

tonic remedy. In view of the experience of the nation with regard to the article, during the space of twenty years, is seems almost upnecessary to recapitulate its merits to Americans. But as our population is increasing at the rate of a couple of millions a year, in the natural way and by immigration, it may be as well to hint to the rising generation and new arrivals (the old secgiers know all about it) that HOSTETTER'S STOMACH Birryans is the most wholesome and potent vegetable tonic ever manufactured; that it is a specific for debility, dyspepsis, billousness, and missmatic fevers; that it prevents, as well as cures, these complaints and their complications; that it is not "bad to take," and is absolutely harmless.

WHETHER YOU WILL INSURE YOUR LIFE On the stock or mutual plan, whether you will go in at "Life rates" or on "an endowment," are comparatively small questions. The great thing is to determine that you will insure your life on some plan, and that at once. One of the many advantages of "THE AME-BICAN LIFE INSURANCE COMPANY OF PHILADEL-PHIA" is, that it insures on all the approved plans, and at the lowest rates.

SPEER'S "STANDARD WINE BITTERS,"-There is no chariatanism about Speer's "Wine Bitters." Their base is his pure wine, all of which is four years old before it is sold or used in any way. They only require to be used to recommend themselves to the most incredulous. They are pure and perfectly free from any kine of medication, and pleasant to the taste. Sold by Druggists.

SCHENCK'S

PULMONIC SYRUP.

SEAWEED TONIC, and

MANDRAKE PILLS

WILL CURE

CONSUMPTION.

LIVER COMPLAINT, AND DYSPEPSIA,

If taken according to the directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work; then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows

the disease and gets well. This is the only way to cure Consumption. To these three medicines Dr. J. H. SCHENCK of Philadelphia, owes his

UNRIVALLED SUCCESS

In the treatment of Pulmonary Consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest, and the lungs begin to heal. To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach

and liver, so that the Pulmonic Syrup and food

will make good blood.

SCHENCK'S MANDRAKE PILLS

Act upon the liver, removing all obstructions; relax the ducts of the gall bladder, the bile starts freely, and the liver is soon relieved; the stools will show what the pills can do; nothing has ever been invented except calomel (a deadly poison, which is very dangerous to use unless with great care) that will unlock the gall bladder and start the secretion of the liver like Schenck's Mandrake Pills.

Liver Complaint is one of the most Prominent Causes of Consumption.

8CHENCK'8 SEAWEED TONIC

is a gentle stimu ant and alterative, and the alkali in the seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Palmonic Syrup, and it is made into good blood

without fermentation or souring the stomach. THE CREAT REASON

Why physicians do not cure Consumption is, they try to do too much; they give me licines to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks

and dies. Dr. SCHENCK, in his treatment, does not try to stop a cough, night sweats, chills, or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catarrh, Cauker, Ulcerated Throat, unless the liver and

stomach are made healthy. If a person has consumption, of course the lungs are in some way diseased, either tubercles, abscesses, broncheal irritation, plueral adherion, or the lungs are a mass of inflammation and fast decaying In such cases what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Dr. SCHENCK'S three medicines, which will bring up a tone to the stomach, the patient will want food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs commence to heat up, and the patient gets fleshy and well. Tais is the only way to cure Consumption.

WHEN THERE IS NO LUNG DISEASE,

And only Liver Complaint and Dyspepsia, Schenck's Seaweed Tonic and Mandflike Pills are sufficient, without the Pulmonic Syrup. Take the Mandrake Pills freely in all bilious

cases, as they are PERFECTLY HARMLESS.

Dr. SCHENCK, who has enjoyed uninterrupted health, was wasted away to a mere skeleton, in the very last stage of Pulmonary Consumption, his physicians having pronounced his case hopeless, and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many thousands similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. Full directions accompany each, making it not absolutely necessary to personally see Dr. Schenck, unless patients wish their lungs examined, and for this purpose he is professionally at his Principal Office,

PHILADELPHIA, EVERY SATURDAY,

Where all letters for advice must be addressed. He is also professionally at Mo. 22 Bond street, New York, every other Tuesday; and at No. 35 Hanover street, Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is \$5. Office hours at each city from 9 A. M. to 3 P. M. Price of the Pulmonic Syrup and Scawcea Tonic, each \$1.50 per bottle, or \$7 a half dozen

Mandrake Pills, 25 cents a box. A full supply of Dr. SCHENCK'S MEDICINES for sale at all times at his rooms. Also, for sale by Druggists and Dealers, 29 fw3marp
